If the Licensee shall fail or neglect to remove said property and so restore the premises, then, at the option of the Commander, said property shall either become the property of the Government without compensation therefor, or the Commander may cause the property to be removed and the premises to be restored at the expense of the Licensee, and no claim for damages against the Government or its officers or agents shall be created by or made on account of such removal and restoration work.
5. That the Licensee shall neither transfer this license nor sublet the said premises or any part thereof, nor grant any interest, privilege, or license whatsoever in connection with this license without permission in writing from the Commander.
6. This License is granted without charge and may include utilities, in-place equipment, and janitorial services without charge, as long as the use is incidental to US Government use. However, the Government shall be under no obligation to furnish utilities or services.
7. By using the Property, licensee agrees to be bound by the foregoing terms and conditions and covenants that the Licensee bears sufficient insurance to cover any damage or injury that may result from the use of any Government property.
